#### How to register:

To participate in the Elektronik Cup as a participant in one or more disciplines, you have to register at the company's Elektronik Cup coordinator/coordinators. They will then register your team in the different disciplines via our web site at [www.elektronik-cup.dk](http://www.elektronik-cup.dk). Deadline for the company's registration is Thursday May 25th at 12 PM.

Note: For some disciplines we will have a minimum or maximum number of participating teams. If we hit below or above these limits, we will contact the involved companies as soon as possible.
