How to register:

To participate in the Elektronik Cup as a participant in one or more disciplines, you have to register at the company's Elektronik Cup coordinator/coordinators. They will then register your team in the different disciplines via our web site at www.elektronik-cup.dk. Deadline for the company's registration is Wednesday May 29th at 11.55 PM.

Note: For some disciplines we will have a minimum or maximum number of participating teams. If we get below or above these limits, we will contact the involved companies as soon as possible.
